

EFTA NECS Race #7

Proceeds to benefit:
 Boy Scouts of America,
 Mohegan Council of
 Central Massachusetts

Presented by:
Team BUMS
 Mountain Bike Club

Sunday August 26, 2012

Treasure Valley Scout Reservation • 394 Pleasantdale Road • Rutland, MA 01543

Never raced before? We want YOU! You're the future of the sport. We're continuing to offer a special shortened course for first timers and youths in addition to the full and kids courses we've had before. You'll pay a reduced entry fee and have the course to yourselves, what's not to love?

2012 is the TVR XC MTB race's 5 year anniversary and it will be the most fun year yet. New trails, custom prizes, and extra games for all.

You'll race on a fun and challenging course at the 1,600 acre Treasure Valley Scout Reservation in the center of Massachusetts. This course has something for everyone: lots of singletrack, just enough doubletrack mixed in, and classic New England riding with long downhill, climbs, rocks, roots, and plenty of lake views. Bring the family for **swimming** at the beach, the **free kids race** and your appetite for the **barbeque!**

Three Ways To Register

- 1. Pre-register online at BikeReg.com.** Closes midnight Aug 24.
- 2. Mail EFTA entry form & check payable to:**
 Treasure Valley Rally, 9 Clearview Rd, Rutland, MA 01543
 Postmarked by Aug 18. Visit efta.com for form.
- 3. Onsite day of race registration.**
 Registration opens 8am, closes 30min before race start time.

First 100 preregistered racers can choose a free meal or race T-shirt!

EFTA license required*: License may be purchased via any registration method. One day license is \$4, annual license is \$24. *Fee included for first timers & youth, waived for kids.

Info for Scouts and Other Youths

- We need you! This mountain bike race event benefits you and your camp by contributing thousands of dollars directly back to your Council and driving many man hours of trail development and maintenance!
- You can **ride/race** on the day of the event or **volunteer to help** or **both**.
- If riding, you can choose the youth course, the kids course, or the full course. Distances, fees, and start times are in the table below. Note that pre-registration is only offered for riders of the full course.
 - The youth course is ~2-4miles and is targeted at ages 10+. We may alter the lap count depending on the ages of those signing up and their lap times.
 - The kids course will be short (less than 1 mile) and fun for ages 9 and under.
 - The full course should only be attempted if the youth is a skilled mountain bike rider. There are extended climbs and descents, rock gardens, water crossings, roots, and other obstacles throughout the full ~9 mile course. Self sufficiency is critical.
- If volunteering, we need help before, during, and after the race. Jobs that Scouts can help with include:
 - Before: we need help building new trails, trimming and raking the course.
 - During: we need stations of people at key spots around the course to monitor and alert us if people need help. Some stations will involve handing out cups of water to racers.
 - After: we need to remove all course markers and clean up any trash.
- Leaders/parents, please contact me at tvr.race@gmail.com with any questions and to coordinate
